COUNTY NEWS IN REVIEW

Adventure—

A land-going seal threw Redwood City into a wild state of excitement twice last week.

The first time the seal was sighted, it was ambling across a vacant lot just off Spring street near Broadway. Slightly incredulous, police threw a lariat, deducted that the seal must have been left stranded by an outgoing tide, and dumped their capture back into the Pacific.

Monday, the curious seal was back again, wobbling off across country by way of Bayshore highway.

But Bayshore highway is an unsafe place for land-loving mammals. The adventurous little seal was found crushed to death at the edge of the road, victim of a hit-and-run driver.

U. S. "Invasion"—

The drone of pursuit planes was heard in the sunshine over San Mateo county this week, as the United States army and navy started mock war maneuvers off the coast of California, from San Francisco to Santa Barbara.

Gunfire was heard at several points in the county. The war games are expected to continue all of this week, with approximately 60,000 men in action.

Transport ships laden with thousands of "enemy" today are somewhere in the Pacific, accompanied by battleships and cruisers, waiting a favorable opportunity to "attack," while the defenders have set up bases all along the coast against the impending "invasion."

Children's Headaches—

Licensing of bicycles in Burlingame and San Mateo continued merrily all of this week, as officials estimated that the total number of licenses would top 4500 before the work was completed.

Police explained that the idea of licensing bicycles is primarily for the protection of owners against loss or theft, with the 50 cent fee covering the cost of the plates.

Only serious fly in the ointment was an excited Burlingame mother who packed her son back to police officers with a firm refusal to accept License No. 13 on any condition.

Report Bus Gain

Julius F. Castelan, superintendent of the Daly City municipal bus line, today announced an increase of 1781 passengers during the first fifteen days of January over the corresponding period in December.

This is an average daily increase of approximately 120 passengers per day.

Official reports in the city clerk's office showed that during the first fifteen days of December, a total of 5842 passengers were carried. Today's check-up of the first fifteen days of January revealed that a total of 7623 passengers had been carried.

This figure indicates that the Daly City busses are now averaging approximately 500 passengers daily.

The complete itemized list of passengers for the first fifteen

Hold Tournament At Lake Merced

Golfers from every part of the country will compete in the National open tournament that starts at Lake Merced golf course, "across the street from Daly City," Saturday.

The links have been closed to the public for two days to put finishing touches on the greens, and today the qualifying rounds will start, continuing throughout tomorrow.

A special flight for amateurs will follow the tournament play on Saturday and Sunday.

Fair Prexy

During the 128 days of the California World's Fair he will be on the job to welcome all dignitaries that have been invited from all parts of the world.

Plan For Hall

The Community hall association met in the Daly City Council hall Monday evening to discuss plans for the building of a hall and community center.

It was reported that the Hillside property, discussed at an earlier meeting as a likely building site, was not available, and that the Vista Grande school site was the logical location.

Believing that forty-five by sixty-five feet for the auditorium would prove too small, the planned size is to be increased to sixty-five by one hundred feet and the rest of the building increased in proportion, so as not to detract from the other departments.

H. G. King was appointed by Chairman Rene Brulez to get the cost of the building after the plans had been scaled to a larger size, and present them and the estimate at the next meeting.

The Community Hall association will meet again, January 29, 8 p. m., at the city hall.

Firemen See Films at Meeting

Daly City firemen were treated to motion pictures by Joseph Sarto, owner of the Villa sanitarium, at their regular meeting last week.

Films taken by Sarto, showing the Pasadena Tournament of Roses on New Year's day, Daly City day at the Fair, the inauguration of the Daly City municipal busses and other pictures of local interest were heartily applauded by members.

At the Board of Fire Commissioners meeting, samples of fire helmets were inspected, following the completion of routine business. With the help of Councilmen Julius Twesten, John J. Fahey and Edmund Cavagnaro, the best sample was selected and turned over to Chief Andrew P. Chesney, who will present it at the next general meeting for discussion.

Record To Publish Directory For '40

Daly City—"Gateway of the Peninsula—"

Sunny, fertile valleys to the south—America's most cosmopolitan city to the north—on one side the sparkling, blue waters of the Pacific—and on the other side, world-famous San Francisco bay.

This will be the inspiring theme of Daly City's second annual "Daly City Directory," scheduled to roll off the presses in only a few more weeks.

Repeating its phenomenal success of last year, when 10,000 copies of the directory found their way into all parts of the world, the Daly City Record office is again publishing a complete civic, social and business handbook for Daly City.

Packed tightly into a digest-sizen volume with useful facts about the city, replete with action-crammed photographs, this year's directory will be bigger and better than ever.

Like last year's edition, this year's directory will be the only authentic source of valuable facts about Daly City ever gathered together into one volume. In each of Daly City's four thousand homes, the directory has become the companion volume to the telephone book in finger-tip information.

And this year as last year, copies of the Directory will be distributed to hundreds of visitors on Treasure Island; will be used extensively in local schools; will be sent to friends and prospective home-owners in every corner of the world, from Ireland to South Africa.

Much of the success of last year's directory was made possible through the cooperation and loyalty of local merchants, city officials and citizens. The outlook for this year's edition—with a new theme, new photographs and another year's fast-moving history of a city to tell, promises much in the way of achievement.

The theme chosen for this year —"Gateways"—will be woven by word and picture into a thrilling story of Daly City and her struggles and triumphs, Daly City as a satisfying place to live.

Watch for the new Daly City Directory! Plan now to send additional copies to your friends and relatives. Help tell the world about Daly City!

Players To Appear At Church Benefit

The Daly City Community Players, under the direction of Miss Marie Burton, have been invited to appear at the Masonic hall in Hayward, January 30, in a benefit entertainment for the Latter Day Saints' building fund.

The local dramatists will reenact "Peace Maker," featuring Carl Sirvain, Frances Poket, Elmer Shannon and Alfred Bulf; and "Park Bench," with Dorothy Selmi, Alfred Bulf and Carl Sirvain. Both of these sketches were produced in Daly City.

Specialty acts will include Jean Sirvain, Frances Poket and Mary Maloney. Lembi's every popular Cowboy band will also be on the program.

To fill out the evening there will be an auction of box lunches and a community sing.

Booked on a charge of drunken driving, Louis Herman Brunschon, 41 Rice street, was fined $50 by Judge Wade H. Clay on Friday. Twenty-five dollars was suspended.

The case against Charles Frances Colledge, 734 Stanyon street, San Francisco, cited for reckless driving as the result of a car and motorcycle collision at School and Mission, December 21, was dismissed. Colledge pled not guilty.

Death On The Highway

San Mateo county's traffic fatalities numbered 71 in 1939; in 1938—65; in 1937—76.

Of the 71 in 1939, 26 occurred on Bayshore highway (17 north of Broadway, Burlingame, 9 south of that point); 21 on El Camino Real (9 north of Broadway, Burlingame, and 12 south); 5 on Skyline boulevard; 4 on Coast roads; 6 on other roads and locations; 9 within city limits (locations, exclusive of El Camino and Bayshore). Three of the total were at grade crossings.

Fifty occurred after nightfall; 21 in the daylight.

November showed the greatest toll with 11, May next with 10; September and October were lowest with 2 each.

Of the tragic total, 26 were pedestrians (15 on El Camino; 8 on Bayshore). All pedestrians but two were killed after nightfall. As to ages of pedestrians killed, 15 were over 60, 11 under 60 years of age.

Announce Plans For Dog Show

Plans for the thirty-first annual All Breeds Dog Show, which will bring to San Francisco more than a thousand crack thoroughbred dogs, were announced today by the Golden Gate Kennel club which, each year in January, stages the biggest canine exhibition in the west.

This year the show will take place Saturday and Sunday, January 27 and 28 in the San Francisco Civic auditorium. All three halls will be used to house the show.

Anticipating an attendance of some 25,000 people within the forty-eight hours of the show, officials of the Golden Gate Kennel club have made elaborate plans for the staging of the event.

Song Bird Club

Late in the eighties the Portland (Ore.) Song Bird club, a society for the introduction of useful song birds, was founded. This organization raised considerable money and imported many birds between 1888 and 1907. It nearly succeeded in establishing the skylark in the neighborhood of that city between 1889 and 1908. The species certainly bred in the neighborhoods of Portland, Salem and Gresham, and existed for 20 or 30 years. The bureau believes that one of these colonies is thriving at the present time.

Sixteenth Installment

History of Fire Dept.

(Editor's Note: This is the sixteenth installment of an informal history of the Daly City Fire department, dedicated to "those who serve--not for personal gain—but for the welfare of all."

Through the cooperation of William J. C. Goldkuhl, E. W. Goldkuhl sr., and Edward W. Goldkuhl jr., authors, and the Daly City Record this interesting story is made available to the general public.)

Over one year later, on September 4, 1934, the city councilmen budgeted $5,000 to be used to pay the firemen for fighting fires. This sum was to be paid according to the following schedule: one dollar for each member who responded to an alarm and stood by for service; a dollar and fifty cents per hour for fighting fires before the hour of twelve o'clock; two and one half dollars an hour for all fires fought after the hour of twelve. The remainder of the money was to go to the various departments in sums of one hundred dollars twice annually for running expenses and from which they would pay dues in the Veteran Firemen's association for each member eligible. Any money left thereafter would be pro-rated according to the fire fighting service of the members of the department during the year. After receiving twenty-seven years of service, the city saw fit to compensate the fire department in a small way.

The introduction of first aid instruction to all the members of the Daly City Volunteer Fire department was also begun in 1934, inasmuch as it was recognized that first aid is an asset to every citizen whether a fireman or not.

The year 1935 found Company Number 6 moving into a new fire house. This building was built by Mr. Benneditti sr., one of the pioneer residents of the district and an organizer of the Colma Fire department.

During this same year, A. P. Chesney became chief of the general department, replacing A. L. Hilton, who resigned to become chief of the police department.

In April of 1935, the general department held its first ball for the benefit of the Widows and Orphans fund of the Daly City Volunteer Fire department. The Widows and Orphans association was an organization sponsored by the fire department to create a fund to help take care of the families of the deceased members of the department.

This organization from its first ball was a proven success. It now insures eighty-five members of the department with a death benefit of $750.00 besides carrying $1,000.00 surplus in its treasury. This association's efforts are in a great measure made possible through the help and cooperation of the citizens of the town.

Ladies Auxiliary Elects New Officers

Mrs. May Doyle was elected president to succeed Mrs. Henrietta Mather at the last regular meeting of the Ladies' auxiliary, Company No. 4, D. C. F. D., held at the home of Mrs. Eleanor Davis, 1135 Brunswick street.

Other newly-elected officers include Mrs. Agnes Bodien, vice-president; Mrs. Grace Augustien, secretary; Mrs. Flora Foppiano, treasurer, and Mrs. Florence Sundstrom, marshal.

Following the completion of business, refreshments were served at an attractively decorated table and games were enjoyed.

Milk Cows Require Water

D. C. Boys Club Defeats Yellow Cab

Two local teams clashed when the Daly City Boys club took a 41-31 win over Yellow Cab in the WPA Recreation basketball league, at San Bruno, Thursday.

Sullivan of Yellow Cab topped both teams with 13 points. Other markers for the Yellow Cab team were Lynn 8, Mulonary 6, Tomlin and Tracy 2 each.

G. Johnston led the Daly City Boys club with 12 points; I. Johnson and Brosnan 10, Savelly 8, and Barghini 2.

Substituting for the Daly City Boys club at the Jefferson gym, Friday, S. S. F. Metal Thermoid cagers took a 54-24 win over St. Vincent de Paul boys.

Ice Polo Proves Popular

Ice Polo, San Francisco's most popular indoor winter sport, has been extended to a second session each week at Winterland, Post and Steiner streets.

The fast and hilarious new game is now played during regular evening sessions on both Mondays and Fridays, it was announced this week by management of the big ice rink.

Two short periods constitute the time of the game. The play has much of the action and the thrill of ice hockey, but the "puck" is a soft rubber ball, which adds to the fun and does away with danger to the players. The latter are recruited among skating patrons of Winterland. Six people are on each team.

Jeff Cagers Lose Palo Alto Games

Jeff's lightweight cagers, with John Razzari as their captain, met their first league defeat this semester at the hands of Palo Alto high at Palo Alto, Friday, 11-32.

The lightweights looked good against the heavier and more rugged Palo Altans and kept things even until the last quarter when Palo Alto took the lead and kept it, possibly due to Razzari and Huerta being sent out of the game for fouls.

High point man for Jeff was Filios with 4. Razzari, Piesch and Volkman scored 2 each and Domecus 1. Palo Alto's Weast led his team with 8 points.

Jefferson's Varsity team also went down against Palo Alto Varsity with a 15-28 score. Jeff started off looking weak but rallied at the half, and from then on Palo Alto fought hard for their points. Roy Giusti captains the local varsities.

Lekoff led his Jeff team-mates with 5 points; Giusti came next with 4, Capps 3, Clement 2 and Pierson 1. High point man for Palo Alto was Riley with 11.

San Jose's lightweights and varsities travel to Jefferson on Friday to play both Jefferson teams. The first game starts at 7:30 p. m.

Service After Hours

A 12 o'clock closing order doesn't daunt the restaurant owners of Amsterdam. When midnight strikes, they close shop, but put automatic vending machines in front of their stores. These retail sandwiches, cake and even ice cream cones.

Disputed Passage Tells Tale Of Doctor's Love

Dorothy Lamour, Akim Tamiroff, and John Howard have the most important roles of their careers in Paramount's new "Disputed Passage," which will have its local premiere tomorrow at the Daly City theatre.

Marking several breaks with tradition, the new film version of Lloyd C. Douglas' best-selling novel has Miss Lamour sans sarong, Tamiroff in the role of a respectable citizen, and John Howard in a part that will put him way up with Hollywood's top romantic leads.

Miss Lamour portrays an American girl, orphaned and brought

up in China, who returns to the land of her foster parents when Tamiroff, Howard's mentor since the start of his medical career, convinces her that her marriage will bring her fiancee's brilliant career to defeat.

The young doctor is staggered by her vaguely explained departure. His work falls off miserably, for his heart is no longer there. One day, in a bitter quarrel with Tamiroff, Howard accidentally discovers the underlying reason for his fiancee's estrangement.

The emotional and intellectual climax of this unforgettable story begins when Howard abandons his position and sails to search China's teeming millions for the only woman he has ever loved.

Companion feature on the new bill is "Day the Bookies Wept," starring Joe Penner and Betty Grable.
